Communication Regarding Notification of Missing Requirements

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The last communication received by applicant from the U.S. Patent and Trademark Office for the above-referenced patent application was the Decision on Petition Under 37 CFR 1.137(b) mailed September 29, 2005. The petition was granted and the application was forwarded to the United States Designated/Elected Office (US/DO/EO) for continued processing.

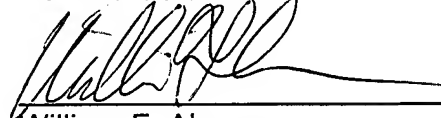

To date, applicant has not received a Notification of Missing Requirements (Form PCT/DO/EO/905) indicating that an oath or declaration after the thirty-month period is required. A phone was place by the applicant to the Inventor Assistance Center to inquire about a Notification of Missing Requirements and the Customer Service Representative suggested submitting the Inventorship Declaration and the Power of Attorney before the receipt of the notification.

Applicant hereby submits a signed Inventorship Declaration by Joint Inventors and a Power of Attorney by Assignee. Also enclosed is the \$65.00 surcharge.
